## **European Senior Championship and the European Masters 2008**

Gentlemen,

On behalf of the President, Committee and Members of the United Kingdom Senior Golf Association, you are congratulated on the most successful year in the Association's history.

To win the Championship and also be supported by the second place in the Handicap Competition, together with the Masters Team defending their title with pride, by becoming runners-up by a mere 3 shots was a great performance, plus the Handicap Team to finish 6<sup>th</sup> was very creditable.

It has been a personal pleasure to witness our teams play - not only good golf, but the spirit in which it was played is a credit to you all.

As well as being great ambassadors for the United Kingdom, you should all feel very proud of your achievements.

To those of you selected to play in the Home International – we wish you personal success.

Brian M. Evans  
Chairman  
United Kingdom Senior Golf Association
