## 30<sup>th</sup> European Team Championship 2011

Gentlemen,

On behalf of the President, Committee and members may we offer our congratulations to both UKSGA teams.

The Championship being retained for the third year in a row and the Handicap Cup Team finishing in a most creditable 4<sup>th</sup> position, in the hardest of challenges and to have the Champion Golfer of Europe in Adrian Donkersley playing so soundly. May we at this time congratulate him on his selection for the National Team in the Home Counties International in September.

We can be proud of our teams for firstly being a team and supporting one another and carrying the Association's reputation for true amateur sportsmanship, lead ably by both Captains, David Lane and Reg Neal.

Finally, it must be mentioned that Reg was able to snare a rare bird from the Southern Hemisphere, thus becoming the highlight of the tournament. Reg will no doubt explain in due course and at great length, the details of his achievement, save to say the writer will wait for the book!
